Eltis newsletter - October 2018

Idioma Inglés

Welcome to the October edition of the Eltis Newsletter.

This month features case studies on the [Sustainable Urban Mobility Plan of the City of Koprivnica](#) and [Micro depots in Frankfurt](#) - a new approach to urban freight deliveries that tackles congestion and pollution issues.

This issue also features news on the [2018 EUROPEANMOBILITYWEEK](#), restrictions on the use of private cars on Greek islands, a report looking at how [Swedish municipalities promote public transport](#) and an Interreg report detailing 26 good practice examples of sustainable urban mobility and SUMP.

The events section features just four of several transport-related events and conferences that are taking place between November 2018 and February 2019.

Kind regards,

The Eltis team
