The INTERREG Northwest Europe cluster project SYNAPTIC has established the SYNAPTIC Awards for Excellence in Seamless Mobility to recognise initiatives leading toward seamless mobility in Europe.

If you have implemented something innovative, this is your opportunity to gain recognition (and win prizes!) for your work.

How to enter

Submit a description of your initiative in the form of an Eltis case study [here](#). Note: you must create a log-in to enter.

Eligibility

All case studies carried out in Europe fitting under the 3 categories below and submitted to Eltis between 1 January 2011 and 31 January 2012 are eligible to win.

Categories

1. The best multimodal door-to-door travel solution (Eltis category: Intermodality)
2. The best public transport solution (Eltis category: Collective passenger transport)
3. The best development process or implementation of a Sustainable Urban Mobility Plan (Eltis category: Transport planning)

Prizes

The winner in each category will receive free travel, accommodation and registration to the ECOMM conference in Frankfurt, Germany (12-15 June 2012) for a representative of the organisation responsible for the activity described in their entry. They will also receive Europe-wide recognition of their initiatives.
