14	ELTIS/SATELLITE	ELTIS and SATELLITE (CIVITAS CSA) to coordinate as far as the shared list of events is concerned, in order to avoid duplications and double efforts.	<p>Answer from Ivo: We basically have the events that are online (<a href="http://www.civitas.eu">www.civitas.eu</a>) as well as an internal list (managed by Eurocities – Melanie Leroy) to plan dissemination activities. The latter is already based on the ELTIS events section.</p> <p>We also make an analysis of project activities, but that is rather indicative (scheduled events, and project planning date, not more detail).</p>
