## **Innovative actions in sustainable urban development**

**Valid dates:**

15 May 2015 to 31 Dec 2020

This new programme will test new approaches, through pilot projects, to the challenges faced by cities. Projects will be selected through calls for proposals; the first call is to be published at the beginning of 2016.

**Interested cities should follow up the calls.**

For more information, visit the EC's [Urban Portal](#) or read in more depth about the [Urban Innovative Actions](#) (opens pdf, 202KB).
