LIFE programme

Valid dates:

01 Jan 2014 to 31 Dec 2020

The [LIFE programme](#) is the EU financing instrument for the environment and climate action. The 2014-2017 work programme includes a thematic priority on 'Air quality and emissions, including the urban environment'. Calls are published regularly.

Interested cities should follow up the calls.

For more info visit the [LIFE website](#), and its section outlining the [timetable for planned calls](#).
