The call has been launched for applications for this year's CIVITAS Awards. Towns and cities are invited to apply by 19 July 2019 to be in with a chance of winning Europe's most prestigious prize for clean urban transport.

The Awards provide a unique platform for towns and cities to demonstrate their pioneering sustainable urban mobility activities. Winning towns and cities enjoy Europe-wide exposure of their work and become role models that inspire others to go for greener mobility.

The Awards are open to all towns and cities that have signed the CIVITAS Declaration and are members of the CIVITAS Forum Network. If your town or city is not yet a Forum member, please complete and sign the CIVITAS Forum Declaration.

Applicants can win prizes in four categories, with entries in multiple categories possible:

- The "Bold Measure" award, which rewards a daring approach that has yet to be widely implemented and examples of ambition leading to successful outcomes.
- The "Stakeholder Engagement" award, which rewards a city that has successfully engaged with relevant stakeholders (e.g. citizens, NGOs, and the private sector) to tackle a local urban mobility challenge.
- The "CIVITAS Legacy" award, which rewards a town or city that has translated its commitment to the CIVITAS network and sustainable mobility into high-impact, innovative measures.
- The "Transformation" award, which rewards a town or city that has used mobility measures to transform itself into a smarter and more liveable environment. The winner will be chosen by the CIVITAS Political Advisory Committee.

All application forms are available below on the CIVITAS Awards page (see link below).

Send your application form via e-mail to the following address, with "CIVITAS Award Category x" placed within the subject of your message: forum2019@civitas.eu.

The deadline for all applications is 19 July 2019!

As is tradition, the CIVITAS Awards Ceremony will take place at the CIVITAS Forum. This year's event is taking place in Graz, Austria, from 2-4 October 2019.
