

ENDURANCE

ENDURANCE aims to assist cities and regions with developing Sustainable Urban Mobility Plans (SUMPs) by facilitating networking, mutual learning and sharing of experience and best practice across countries. The objectives from ENDURANCE are:

- To establish 25 enduring national SUMP networks (enduring = EPOMM membership);
- To establish a European SUMP network with central co-ordination of training, trainers, audits, audit databases, city databases and quality labels;
- To engage over 250 cities in sustainable urban mobility planning and implementation.
