

PUMAS EU

The PUMAS project promotes the development of the Sustainable Urban Mobility Plan (SUMP) concept in regions. PUMAS offers solutions to urban mobility challenges by co-ordinating the development of SUMPs in the Alpine Space. From isolated applications of SUMP methodology to a widespread understanding, application, exchange, evaluation and dissemination of SUMP.

Member status:

Past member

Key deliverables:

Forms of public participation - Best practices and recommendations

Contract period:

July, 2013 to June, 2015
