### **Information / Description:**

Sweden is to host the 3rd Global Ministerial Conference on Road Safety. The conference will be co-sponsored by the World Health Organization (WHO), and minister-led delegations from more than 100 countries are expected to attend. Representatives from the world of industry and research, international institutions and other global organisations will also participate.

The conference marks the end of the UN Decade of Action for Road Safety 2011-2020 and the starting point for continued collaboration on road safety. The aim is to reach a global consensus on guidelines for continued international collaboration on road safety up to 2030.
