Past event

Information / Description:

The European Conference on Sustainable Urban Mobility Plans is Europe's leading annual event for all those involved in putting the SUMP concept into practice. This year, the event took place in Groningen in the Netherlands from 14-16 June.

Presentations

The conference presentations are available [here](#).

View the Conference Programme

The event offers opportunities to network, debate key issues and to exchange ideas on sustainable urban mobility planning. The final conference programme including speakers, side sessions and site visits is available [here](#).

Side events

Attendees were offered the chance to combine their visit to the conference in Groningen with other sustainable mobility events taking place at times directly before and after the 6th European Conference on Sustainable Urban Mobility Plans:

- [International Cargo Bike Festival, 14-16 June, in Groningen](#)
- [Making transport more accessible and inclusive for all: new approaches and solutions, Tuesday 18 June, 16:00-18:00, De Oosterpoort](#)
- [Financing and procurement for sustainable urban mobility, Tuesday 18 June, 16:15-17:45, De Oosterpoort](#)
- [First SUMI Application Dialogue, Tuesday 18 June, 16:00-18:00, De Oosterpoort](#) (Participation in this workshop is **restricted** to representatives of urban areas and Urban Area Coaches involved in the SUMI project)
