## **[Baltic Sea Region Mobility Summit](#)**

Tuesday 08 September 2020 at 10:00 Thursday 10 September 2020 at 13:00

Past event

### **Information / Description:**

The online joint mobility conference is hosted by three projects funded by Interreg Baltic Sea Region: BSRelectric, cities.multimodal and SUMBA.

For three days you are invited to take part in engaging discussions and workshops, see and hear exciting presentations and participate in virtual tours. You will learn how these three different projects feed into the emerging sustainable mobility patchwork in the Baltic Sea Region and discuss what the role of an active interaction is among the wider sustainable mobility community.
