Information / Description:

Busworld China 2016, in partnership with Bus & Truck Expo, is organised in Beijing and offers an excellent opportunity for bus and coach manufacturers, component suppliers, technology providers and market leaders to showcase the industry's latest products, technology, services and solutions.

The exhibition provides a level-playing field for facilitating trade opportunities and is a chance for companies to establish themselves in the biggest bus and coach market in the world and connect with existing and potential customers directly.
