[Citytech 13 - 14 September, 2018](#)

Thursday 13 September 2018 at 10:00 Friday 14 September 2018 at 13:30

Milan,

Past event

Information / Description:

Citytech focuses on modern and future cities with the aim of identifying innovative and effective proposals which may contribute to improving quality of life.

The event consists of a CONFERENCE & EXHIBITION programme, designed on the current most innovative topics of the mobility field, which will give to the participants the opportunity to listen to the speeches of some of the major representatives of the sector, to participate to the debates, to expose and see some of the most innovative solutions with their own eyes.

Keywords for the conference are:

- new,
- autonomous,
- electric mobility
- shared mobility
- MaaS
- urban planning
- big data
- high tech
- sharing, and;
- sustainability.
