[Consultation workshop on the new EU urban mobility initiative: Sustainable Urban Mobility Plans \(SUMP\) and mobility management](#)

Thursday 24 June 2021, 10:00 to 12:00

Past event

Information / Description:

This workshop allows urban mobility practitioners and stakeholders to have their say on policy and priorities being addressed at the European level related to Sustainable Urban Mobility Plans (SUMP) and Mobility Management, and on specific actions to be included in the European Commission's Urban Mobility Initiative.

It is organised by the European Commission's Directorate-General for Mobility and Transport (DG MOVE) in cooperation with Eltis - the urban mobility observatory.

Register [here](#).

For more information on the consultation workshops on the European Commission's Urban Mobility Initiative, see [here](#).
