Rennes,

Past event

### **Information / Description:**

**Please note that this event was originally scheduled to take place on 14 May 2020 but was postponed until 8-11 April 2021. Please visit the [event website](#) for the most up-to-date information.**

inOut is a unique initiative centred on developing new mobility solutions that connects international mobility experts [In] and the general public [Out].

On the 8 and 9 April 2021, inOut presents an opportunity for industry professionals from businesses and start-ups, researchers, elected officers, public institutions, and more to explore themes dedicated to mobility and the economic, social and environmental impacts surrounding mobility.

On the 10 and 11 April 2021, inOut invites the public to experience new mobility solutions in an open air space. The two days will include demonstrations, immersive experiments, discussions, workshops and circuits.
