### **Information / Description:**

SUMP training for Bulgarian cities/municipalities or city-owned companies

Training topics:

- General introduction to SUMPs / How do SUMPs mesh with statutory land use plans
- Communication and stakeholder involvement of the new SUMP - measures
- Urban Transport Roadmaps tool
- Monitoring and evaluation

The training is free of charge!

Travel and subsistence of select trainees is covered by PROSPERITY project.

Language: Bulgarian

Due to the participation of European mobility experts as trainers, interpretation will be provided from English to Bulgarian.
