## Placemaking Week Europe 2019

Wednesday 12 June 2019 at 09:00 Saturday 15 June 2019 at 17:30  
Valencia,  
Past event

### Information / Description:

This year, the [European Placemaking Network](#) and [STIPO](#) in partnership with [La Marina de Valencia](#), are hosting the second annual Placemaking Week Europe.

As a participant, you will have the opportunity to attend discussions with keynote speakers, site-specific workshops, regional site visits, thematic breakout sessions and toolbox development sessions. You will learn from inspiring examples from a number of European countries and work on the development of new tools and project proposals together. The event will also include presentations of results from projects on inclusive cities and child-friendly cities.

The event welcomes city officials, practitioners, researchers, developers and investors from all over Europe.

Participation in the conference will also include a year's membership to the European Placemaking Network.

For more information, please visit the event [website](#).
