Information / Description:

The SmartMove project consortium cordially invites you to its final conference, to be held on 22 June 2016, in Cologne (Germany). The conference will showcase key findings from Germany, Poland, Portugal, Greece, Spain and Austria.

Highlights include including: 1) an increase in passenger numbers by between 5 and 15 per cent; 2) annual CO2 emissions savings of between 20 and 100 tonnes; 3) a high level of cost efficiency compared to infrastructure-oriented measures; and 4) adaptability to different conditions.
