Past event

Information / Description:

A European conference celebrating urban transport nodes and urban (re)development around main public transport nodes will take place in Utrecht, the Netherlands, from 23 - 25 May 2018.

Several flagship projects from around Europe will share their experiences. It will bring together the leaders of each development and focuses on collaboration between stakeholders, landowners, and civil society representatives.

For more information, please contact this email address: springconference2018@utrecht.nl.

More details will follow at a later date.
