[TRANSLOG CONNECT 2019](#)

Sunday 13 October 2019 at 07:30 Monday 14 October 2019 at 19:30

Budapest,

Past event

Information / Description:

With more than 500 participants from over 20 countries, TRANSLOG Connect Congress is the leading event associated with transportation, logistics and supply chain management.

The aim of the conference is to help businesses boost their ability to respond to challenges in the market.

There are two main panel discussions, accompanied by various other speakers and presentations. The two topics covered by the panel are:

- Survival Strategy - How to adapt to changing market conditions
- Labour Shortage - Risk plans for staff shortages ESP in operational logistical functions

Speakers include:

- CEOs
- Directors
- Heads of institutes
- Managers
