## Webinar: Smart mobility solutions in Antwerp, Madrid and Berlin

Thursday 07 June 2018, 15:00 to 16:20  
Past event

### Information / Description:

Antwerp, Madrid and Berlin are at the forefront of sustainable mobility in Europe. Get an insight into some of their most successful achievements, ranging from high-level [travel planners](#) to innovative electric mobility solutions and efficient bike sharing systems.

This webinar is organised by SIMPLA, a project funded under the Horizon2020 programme, dealing with the harmonization of energy and mobility planning.

15:00 to 16:20 CEST

Speakers: Marijke De Roeck (City of Antwerp), Sergio Fernández Balaguer (Empresa Municipal de Transportes de Madrid, S.A.) and Thekla Heinel (B.& S.U. Beratungs- und Service-Gesellschaft Umwelt mbH)
