ebook on Mobility Management

Date of Production:

08 Nov 2018

Topic:

Mobility management

The ebook on Mobility Management is a toolbox which is the result of research and analysis conducted during the **STREET** project (funded by the Erasmus+ programme of the European Union) in the field of alternative mobility and sustainable tourism management.

The toolbox details all subjects studied during the basic and specialised course as well as case studies selected by project partners. The pdf version can be downloaded - or you can access the toolbox directly at <https://thestreettoolbox.pressbooks.com/>.
