STRATEGIC PLANNING FOR EFFICIENT URBAN FREIGHT LOGISTICS

Moderator: Cosimo CHIFFI, Trasporti e Territorio TRT

- **SUMP Guidance on Sustainable Urban Logistic Plans**
Georgia AYFANTOPOULOU, Hellenic Institute of Transport CERTH/HIT
- **CityChangerCargoBike and cycle logistics**
Karl REITER, FGM AMOR Austrian Mobility Research
- **Linking Sulp and Sump in the Functional Urban Area**
Barbara FAVA & Alessandro DELPIANO, Metropolitan Area of Bologna

Site visits B, C, F, G

SIDE SESSION: INTEGRATING SPATIAL AND MOBILITY PLANNING IN THE NETHERLANDS

Moderator: Ministry of Infrastructure and Water Management

The session will introduce an overview of mobility programmes in the Netherlands and the role of institutional cooperation in tackling upcoming challenges and adapting governance to emerging mobility services.

E3.

Short-pitch presentations will illustrate examples of regional collaboration on behavioural change in favour of sustainable mobility options and the need for partnership with the private sector to make sustainable mobility happen.

The session will provide ample time for discussion and best practice exchange on the next challenges in reinforcing SUMP, and translating success stories to other European regions.

Side session organised by Groningen Bereikbaar.

19:00
