SUNRISE IN TÖRÖKŐR/ Results & Lessons learnt & Next step

- 420 individual problems, ideas and positive feedback identified
- Introduction of participatory planning at neighbourhood level from thought to decision
- People dare to get involved in local, public affairs – realize, their word has a power, though it takes time
- Go out to people and do no wait for them come to you
- Find the key people / players
- Focus on certain issues and keep distance from everyday politics
- Citizen’s ideas generate projects. Municipality and people decide together
Thank you!
