

10th SUMP Coordination Meeting – Bruxelles, 11/10/2018

# SIMPLA

## State of the art

AREA Science Park  
Fabio Tomasi

SIMPLA project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 695955

The content of this presentation reflects only the author's view and the Executive Agency for Small and Medium-sized Enterprises (EASME) is not responsible for any use that may be made of the information it contains.

# End date

*31/01/2019*

# Coaching

*Supporting cities that attended training in the harmonization process*

# Final events 26-28 November

- Training workshop for replicators (26/11)
- Mutual learning Workshop (27/11)
- International Conference: «New trends in urban energy and mobility planning» (28/11)

Location: Area Science Park, Trieste. Italy

# Guidelines on SECAP/SUMP harmonization

- 3rd release
- Revision of existing guidelines based on:
  - feedback,
  - lessons learnt in project implementation
  - SECAP instead of SEAP
  - SUMP Guidelines 2.0 requirements

## Concerns:

- Uncertainty on flexibility and possibility to fit in
- Extra work and consequent delay
