Action points last meeting

Action points last meeting

#	WHO	WHAT	STATUS
1	Andree (SUITS) and Susanne (SUMPs-UP)	To update the available planning document on trainings which was developed by SUITS, SATELLITE and PROSPERITY and to share it in the group.	A new shared file was created with the list of SUMP related training activities, gathered from CG members. To be discussed in agenda item #11
2	All	To share deliverables that have been identified to be uploaded on the European Platform on Sustainable Urban Mobility Plans before publication with the group for consultation.	Update from p. Secret.: It was agreed that draft deliverables would be shared among the group members for consultation (not review).
3	New Secretariat	Action to find a way to share events with the group and the relevant people at the Commission. Suggestion could be that projects send their invitation to the Secretariat which forwards it to the group.	To be discussed at the meeting (see agenda item #15)

Action points last meeting

#	WHO	WHAT	STATUS
4	Fabio (SIMPLA)	To send the SIMPLA training material to Teije to assess whether this is useful for the ELTIS training material sections.	Not necessary Update from p. Secret.: It was agreed that the available document was considered not suitable for the training materials section.
5	Secretariat	Will compile an annex for a paper with the national Member State profiles that are now on the website. Projects to identify the deliverables that are relevant. So the Secretariat can combine this with the paper and send it as a package to Piotr and Vincent to be used in the national Member State representatives meeting (before the 3rd of November).	Done (partially) / outdated Update from p. Secret.: The Secretariat has compiled a list of Member State profiles and sent this list to Piotr and Vincent. Up to this date no input has been received from the projects concerning relevant deliverables.

Action points last meeting

#	WHO	WHAT	STATUS
6	Secretariat	Adjust the introduction text of the city database in such a way that it is not confusing and does not suggest it only includes cities with a SUMP.	Done
7	SUMPS-UP/ELTIS	Contact each other on how to integrate the registry as soon as possible in the ELTIS website and how allow for visibility of good practices. ELTIS will receive the information from SUMPS-UP and update the existing database. When the full information of the SUMPS-UP registry is included in the ELTIS city database the registry will be removed.	Pending (to be discussed in agenda item #10)
8	Next contractor - Secretariat	Put a strategic discussion on the agenda regarding the future of the CG and the development of a work programme.	Included in agenda as item #15
