Objectives and scope

The Coordinating Group brings together representatives from relevant on-going EU-supported actions to:

- **Exchange** information and lessons learnt
- Identify and exploit **synergies**
- Agree on **common views** to inform the **further development of the SUMP concept and tools**
- Assist in the **co-ordination** of outward presentation of the various initiatives

The way forward for the Coordinating Group

- What is / should be the role of the CG?
- What topics/areas should be addressed?
- Should the CG have a work programme?
- What are / should be the benefits for the CG members to participate and contribute to the activities?
- What are the barriers (costs, required efforts vs contractual obligations)?
- Should the CG be financed and how?
- Should we consider to have one of the 2 yearly CG meetings side to the SUMP conference?
- What about the format and duration of the meetings?
- Other issues?
