Urban Mobility Days 2020
Integrating shared mobility services in urban mobility ecosystems

Yannick Bousse, UITP

01/10/2020
REGULATION FOR NEW MOBILITY SOLUTIONS

RAPID PROLIFERATION OF NEW TECHNOLOGIES AND DISRUPTIVE INNOVATIONS

INADEQUATE EXISTING REGULATORY FRAMEWORKS
MAKING THE MOST OF DISRUPTION

• Right regulatory framework conditions
• Cooperation between the public authorities and the industry, business and operators

Here comes the GECKO

Governance principles and methods enabling decision makers to manage and regulate the changing mobility systems
REGULATION DATABASE

More than 130 regulations

Geographic distribution of regulations

Distribution of regulations per case study

Case studies
