# The DUT Partnership

The DUT Partnership steps up the game to tackle urban challenges. We enable local authorities and municipalities, business and citizens to make global strategies into local action. We develop the skills and tools to make urban change happen and boost the urgently needed urban transformations.

**Positive Energy Districts and Neighbourhoods**  
transforming the urban energy system

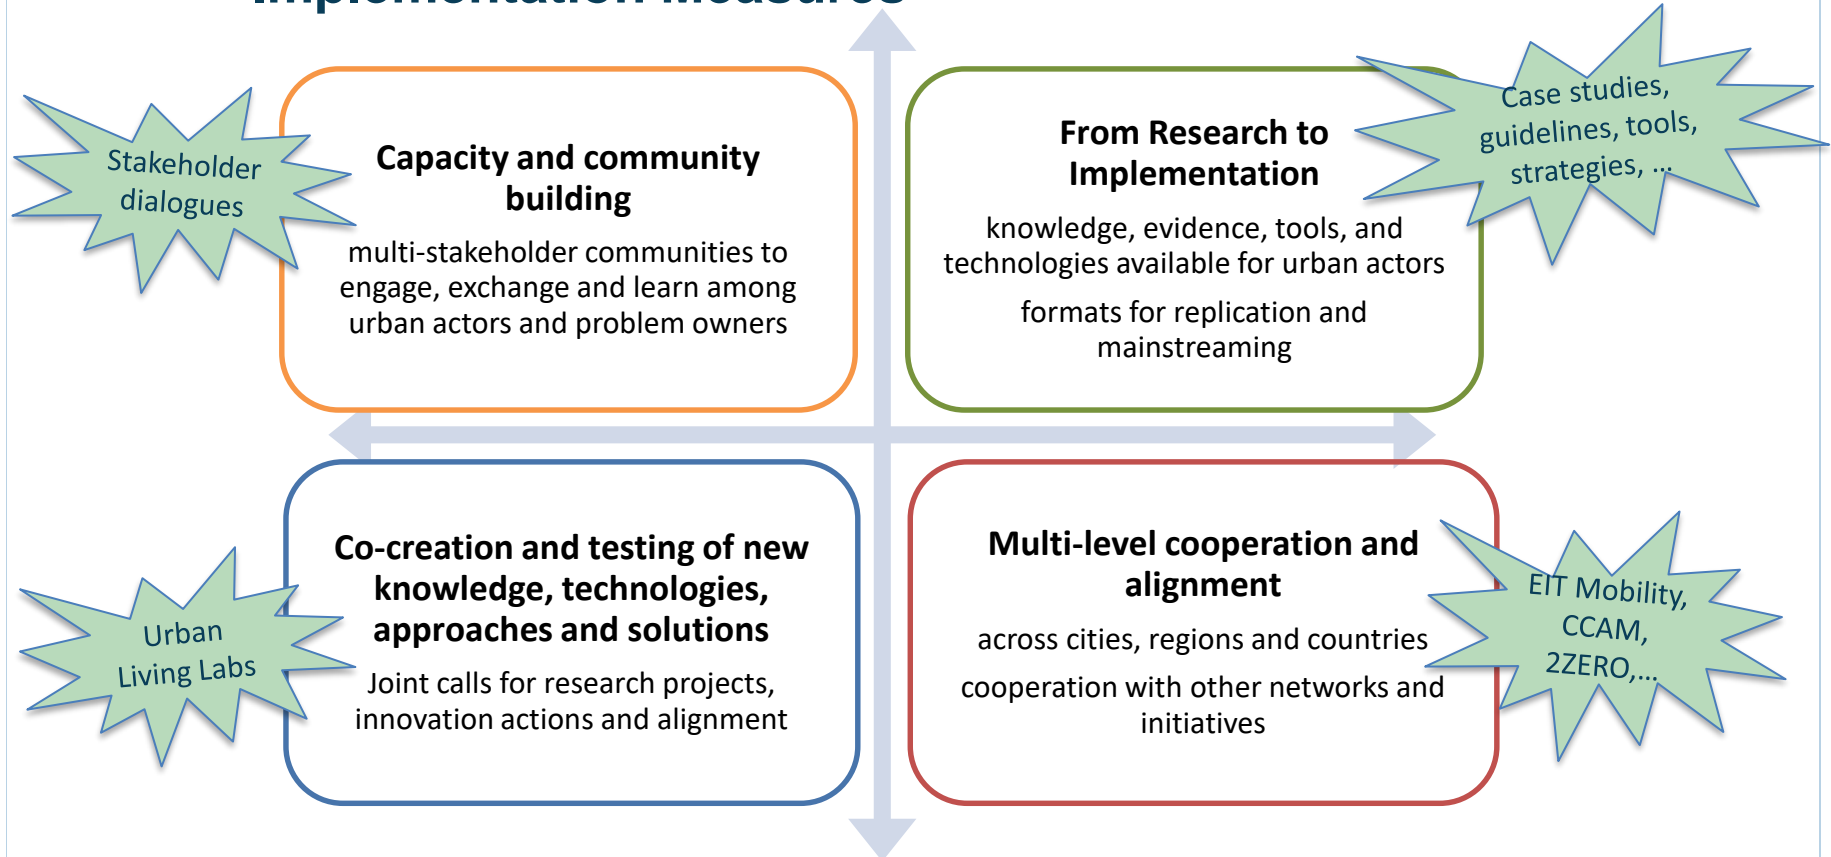

**Downsizing District Doughnuts**  
an integrated approach for urban greening and circularity transitions

**The 15 Minutes Cities**  
rethinking the urban mobility system and space

# Implementation Measures
